Message of 2011

The Annual Lighting of Nubble Lighthouse is here once again. The excitement is felt from our friends, neighbors and visitors as the joy and inspiration that the Lighting brings becomes a reality before our very eyes.

Calendars have been marked, friends have gathered, families are reunited as memories of past seasons of peace and love are rekindled and new ones are about to begin.

This Saturday after Thanksgiving the beautiful lights adorning our Nubble Lighthouse will shine ever so bright, once again, on our historic beacon, our true treasure, our symbol of people who are a people of hope.

We offer our heartfelt gratitude for the gift of sharing this evening because of the generosity of our sponsors! Anchorage Inn; Shamrock Mayflower Moving and Storage; Coastal Landscaping; Libby's Oceanside Camp; Coastal Printing; Paul E. Taylor; Sohier Park; Abigail Douris Real Estate Group Remax; and Stonewall Kitchen (to which we offer a very happy Twentieth Anniversary).

To the many people who care for and serve our lighthouse and park: we want to express our thanks to each of you for the true spirit of giving! You continue to support this wonderful family gathering with your multitude of hours volunteering in our gift shop or your many monetary donations that help to defray expenses necessary to maintain our beautiful park and majestic beacon. Our Nubble community thanks you for your continued presence and support of the Nubble Lighthouse and Sohier Park.

And speaking of true beacons of light, we celebrate the work of two people, Ed and Sally MacGorman our official count down guests this year. Ed and Sally have served so long and so well in many facets of our community volunteering their love through service to our people in the Town of York. If you have ever read the great story of the good and faithful servants you would immediately think of Ed and Sally. Ed and Sally are serving on the Sohier Park Committee and Ed is the tireless hard working chairperson. Our community is truly fortunate to have the passion and the love of Ed and Sally.

As we once again turn on the lights on our beautiful Nubble Lighthouse we are grateful for the service and dedication of their can do attitude. Ed and Sally we thank you for all that you do for and mean to Nubble Light!

May the blessings of the Season be yours!
